EXPERIENCE

Data Engineer Intern | Endava

Bucharest, Romania

June 2026 - Present

- Developing Python, SQL, and ETL skills through the Dava.X Data & AI program, with training in cloud technologies, AI fundamentals, and MLOps.
- Collaborating with mentors and peers on practical data engineering exercises, following software development best practices and the Dava Flow approach.

Full-Stack Development Summer School | EOS IT Services

Bucharest, Romania | Internship

June 2026 - September 2026

- Built a task management application using Java with Spring Boot and TypeScript with Angular, connecting REST APIs to an interface for managing tasks, teams, and users.

Python Instructor | Hackademy

Bucharest, Romania | Volunteer

December 2025 - June 2026

- Taught Python fundamentals and more advanced concepts to university students from different faculties as part of the volunteer Python team.

EDUCATION

Bachelor's studies in Computer Science in English

Politehnica University of Bucharest (UPB) | 2024 - 2028 (expected)

Faculty of Engineering in Foreign Languages (FILS, CTI-E)

PROJECTS

Explainable AI for Pneumonia Detection

- Compared EfficientNetB0, DenseNet121, and ResNet50 for chest X-ray classification, using Grad-CAM to inspect image regions influencing model predictions.
- Integrated TensorFlow models with a FastAPI service and a Django web interface.

Logo Scraping and Clustering Pipeline

- Built a Python pipeline to scrape company logos, store them in MySQL, and group them by visual similarity using EfficientNetB0 features, PCA, and Faiss clustering.

TECHNICAL SKILLS

Languages: Python, SQL, Java, TypeScript, C++

Data & ML: pandas, NumPy, scikit-learn, TensorFlow, PyTorch, Keras, SciPy, Matplotlib, Seaborn, Faiss

Data processing: ETL, data cleaning, web scraping, Selenium, BeautifulSoup, Requests, PCA

Databases: PostgreSQL, MySQL, Microsoft SQL Server, MongoDB

Web development: REST APIs, Spring Boot, Spring Security, Angular, FastAPI, Django

Tools: Git, Linux/Unix, Docker Compose, Maven, Jupyter Notebook

CERTIFICATIONS

OCI Data Science Professional | OCI AI Foundations Associate | Cambridge C2 Certificate

LANGUAGES

Romanian: Native | English: C2
